ARRIVALS & DEPARTURES

When dropping your child at playschool you are responsible for seeing them securely into the main playroom and making a member of staff aware that you have dropped your child off each day. It is most important that you inform us who is to collect your child from the playgroup each day. If someone different other than the named person is collecting your child we would need to be informed by you 24 hours before hand. Also if there is a situation where a parent does not have custody of a child and are not permitted to collect the child we would need such information in writing and proof of a court order.
